---

**PETITIONING THE COURT**

**To incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court on 05/14/2014.**

The probation officer believes that the offender has violated the following condition of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

4

**Special Condition # 21:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** Paul Belis is considered in violation of his term of supervised release in the Eastern District of Washington by using a controlled substance, methamphetamine, on or prior to May 19, 2014.

On May 19, 2014, the defendant made his initial appearance before U.S. Magistrate Judge James P. Hutton on the alleged violation contained within the violation report dated May 14, 2014. The defendant was released pending a detention hearing on May 23, 2014. The defendant reported to the probation office in Yakima after his release and a drug test was conducted. The sample returned presumptive positive for amphetamine use. The defendant was asked if he had used any controlled substances and he admitted he had used methamphetamine on May 15, 2014. The sample was sent off for confirmation.

On May 20, 2014, the defendant reported to the Richland probation office as directed. The defendant was asked about the urine sample and he once again admitted to using methamphetamine the week prior.
